WORK EXPERIENCE

Job Title — Company Name, Location
MONTH 20XX - PRESENT

This is your brief job description. Include accomplishments related to your key responsibilities with specifics about relevant skills. Use action verbs to quantify the impact of your work.

Job Title — Company Name, Location
MONTH 20XX - MONTH 20XX

Design, implement, test, and deploy native iOS and Android applications used by 3,000+ users. Prototype UX designs for 3 different interactive web applications ensuring responsive design. Evaluate thousands of lines of code to ensure validity, proper structure, and compatibility with various browsers, devices, and operating systems.

Special Projects Intern — Miami-Dade County, Small Business Development
MAY 2012 - SEPTEMBER 2012

Assisted in the business support unit by reviewing contract compliance, certification applications, calculating contract wage discrepancies, and updating the legal claimant database. Developed a "gratitude log" which contacted small businesses to identify potential fiscal problems that could be rectified by our office or through partner agencies.

PROJECT EXPERIENCE

SpenderMap — Expense Visualizer Site

Designed UI for iOS and Android Apps. Launched Mobile app, receiving 2,000 downloads in the first week and 5,000 in the first month. Reached 30% market penetration at Illinois college campus and peaked at 10,000 users. Rebuilt second iteration of backend in Rails: designed as a RESTful API to support ~3,000 MAU.
